

## EVERY PLAYER, EVERY GAME, EVERY SEASON

### HRTA Meeting Minutes

February 11, 2026

#### **Coach Carty's Report:**

- The coach reported that our field will be receiving new turf, track, and scoreboard.
- The 2026 Varsity [schedule](#) has been posted on our website.
  - 8/27: against Manalapan to be played at Monmouth University
  - 10/2: Homecoming
  - 10/16: Senior Night
- Morning leadership meetings will resume this week.
- The dome at Iron Peak collapsed last month. Hopefully, the 7 on 7 schedule will resume in the spring on Sunday mornings.
- The camps and summer schedule will be shared at the next meeting. Parents should expect them to be similar to last year.

#### **Presidents' Report:**

- The HRTA officers and Membership Chair met with Normandy Studio prior to the general meeting to review pricing and product options for our team photos and player portraits. However, since Normandy Studio does not design or print media guides, we decided to continue working with our long-time vendor, Milan Rose.

#### **New Business:**

- Membership voted to cover the \$300 fee for the coaches to attend a clinic in Greenwich, Connecticut.
- Membership voted to pay the \$1,500 three-year renewal fee for the Athletic Academy recruiting site.
- Membership voted to participate in a fundraising effort initiated by Bruce Wayne and Coach Carty to purchase a new golf cart for the athletic trainers, as the current cart can no longer be repaired. In addition to outside fundraising, other varsity sports at HHS have contributed to the effort. HRTA membership voted to pledge up to \$2,500 toward the purchase.
- Coach Carty is reaching out to our outgoing senior players and Somerset and Hunterdon county teams to determine interest in a senior bowl.

#### **Nominations for HRTA Officers**

- President: Bruce Wayne
- Vice President: Meg Wright
- Treasurer: Jenn Glazewski
- Recording Secretary: Fran Leddy

All nominations were unanimously accepted by the membership. Since no nominations were contested, a vote is not necessary, and the individuals will serve as officers for the 2026 season.

**Next Meeting: March 4, 2026**
