About Chatfield

Chatfield Senior High School is a destination school for both students and faculty. Located in Littleton, CO, we work with students to create an atmosphere of academic excellence and respect by providing educational and extracurricular opportunities, encouraging lifelong learning and responsibility, while promoting diversity and school pride.

About Chatfield Boys Lacrosse

Founded in 2007, the Chatfield Senior High School Boys Lacrosse program quickly established itself as a strong and competitive program. The varsity boys lacrosse team regularly makes the CHSAA playoffs. Coaches, players, the Booster Club, dedicated families, and a generous community work together to develop one of the most promising high school programs in the state. Chatfield Lacrosse develops quality lacrosse players as well as quality young men.

Chatfield Boys Lacrosse does not receive funding from Jeffco Public Schools. Sponsors and donations help fund uniforms, equipment, transportation, and other program needs, keep costs lower for families, and support the program.
All sponsorships are tax deductible, with 100% of funds going to the program.
