

## COACHES ADVISOR

The Coaches Advisor is responsible for overseeing all programs and development opportunities relating to managers, coaches and players in the league.

The responsibilities of the Coaches Advisor include the following:

- Represent Coaches and Managers in the League.
- Serve as the contact person for the league's manager-coach training program.
- Develop and coordinate training curriculum and approach at all levels in coordination with the Board.
- Develop, order and distribute training materials to players, coaches and managers
- Coordinate League clinics as necessary.
- Responsible for monitoring and evaluating the development and progress of all managers and coaches in the league. Diligently works to continually teach managers and coaches correct basic player skills as well as manager skills.
- Responsible for making information available to all managers, coaches and players as appropriate.

The Vice President of Operations will be the point of contact for the Coaches Advisor.
