

JOIN THE LEGEND TITAN FOOTBALL FAMILY!

Our Mission:

To support and enhance the Legend Football Program by cultivating a strong sense of community among student-athletes, parents, coaches, alumni, and local businesses. We strive to prepare our players for the collegiate level and help to develop productive and honorable members of society.

A Note from the Booster Club:

What an exciting time for the Legend Titans Football program! After an amazing 2025 season - our level of motivation and team spirit is soaring as we gear up for 2026. With a goal of a strong and steady march to State - our dedicated players, coaches, and Booster Club are already working hard to prepare for our fall season.

With the new year - we are also excited about our Head Coach, Jake Heaps, who brings a wealth of football experience from the collegiate level all the way to the NFL. We are honored he chose Legend to help us continue to build a one-of-a-kind high school football program that will develop our student athletes both on and off the field by instilling the importance of education, discipline, accountability, teamwork, and community.

Your contribution to our Booster Club allows us to supplement the program to ensure we are able to keep equipment and uniform costs down for our players while also cultivating team building, school spirit, and community service opportunities. It allows us to maintain appropriate health and safety standards as well as build a program our athletes can be proud of and work hard for. The support from our community leaves a lasting imprint on our young athletes and helps us develop the present and future integrity of the Titans football program.

We thank you for considering us so we can continue cultivating a legacy of “Legends” both on and off the field.
