

## 2025 Kickball Tournament

---

- Games will consist of 7 innings or 45 minutes time limit. The game clock will start at game start time.
- The following "run rules" will be in effect as follows: 20 runs after four innings and 15 runs after five innings. For now, there will be no limit on runs scored in an inning.
- Teams will consist of 10 players on the field but may start the game with 9 (1 automatic out at end of batting lineup). If the 10th player arrives, then they will occupy the 10th position in the batting order.
- Teams consist of equal number of 5 men and 5 women, but can start with 9 players as long as there are not more men than women. Kicking order must remain staggered male/female. The pitcher/catcher must be a male/female combination (exception: woman-woman, more women than men on field) the infield must have 2 males and 2 females other than the pitcher/ catcher combo. The outfield must have the same ratios. In addition, all outfielders must remain in the outfield grass until the ball is kicked.
- Everyone will come to the plate with a with a 1 strike and 1 ball count already.
- The pitcher delivers the ball, and must do so with one foot in contact with the pitching rubber. If the ball passes through the strike zone and the kicker does not make contact, it counts as a strike. A ball that goes wide of the strike zone will count as a ball.
- Pitches will be thrown in a civil manner at a reasonable rate and not excessively bouncy. Fast pitch and curve balls are not allowed. Any pitch deemed by the umpire or field monitor to be out the context of a casual pitch (fast or with curve) will result in a warning to the pitcher and a called ball. The next infraction will result in replacing the pitcher.
- A kicker must wait until a pitched ball is within three feet of home plate before attempting a kick.
