

## 2025 Washers Tournament

---

**LOCATION:** Krieg Athletic Complex (515 S. Pleasant Valley Rd)

**DATE/TIME:** Friday, Sept. 26th 6:30pm - 10pm / Saturday, Sept. 27th (start time 9am)

**GAME AREA:** Two 3" diameter PVC cups (3.5" long" are placed in the ground deep enough for the top of the cup to be flush with the ground. The cups are placed 21' apart - measuring from the center of the cups.

**SCORING:** Washers are pitched underhand from a line even to the front of the cup toward the opposite cup. The starting player will pitch their four washers followed by their opponent, the idea being to land in the cup if possible and if not - as close as possible.

A washer landing inside the cup, a ringer, scores 5 points. A washer hanging over the top of the cup is called a leaner and is worth 3 points. A washer closest to the cup but outside the cup scores 1 point.

If two players pitch a ringer or a leaner, those will cancel each other out and you will score the next closest washer. The first team to 21 points wins the game. Best out of 3 games!
