

VOLUNTEER CHECK CLARIFICATION

During the 2026 season you will be required to complete no more than 12 volunteer hours, (20 hours total if 2+ kids in the program), unless you have completed the \$500.00 buyout at the time of registration.

Volunteer hours sign up will be sent out via email and each parent will be required to log in and sign up for 2 hour shifts (totaling 12 hrs). That email will be sent out closer to our first home game. On occasion there will be volunteer opportunities prior to the start of our first game which will also be communicated via email.

The buy out if you do not wish to complete your volunteer hours is \$500.00

When will volunteer checks be cashed?

We understand that life happens, and you may unintentionally be a no-show for your registered volunteer shift. As a courtesy, you are allowed one no-show for a registered volunteer shift without penalty. In the event you no-show a second time your volunteer check will be cashed in full. It will NOT be prorated, for example, if you have completed six of the 12 volunteer hours and then have two no shows the entire fee of \$500 is due.

What is a no-show?

A no-show is when you are registered for a shift and do not give 24hr's notice BY EMAIL that you are not able to make your shift.

OR

By 10/1/26 you need to be registered for the remainder of your required minimum hours. If you are not registered for the remainder of your required hours by end of day 10/1/26 your volunteer check will be cashed on 10/2/26.

Please Initial one of the following:

Volunteering isn't my thing, please cash my \$500 check now: _____

I agree to work my volunteer hours this season: _____

Parent Signature: _____

Parent Name: _____

Player Name: _____
