

Wildcats Legacy Competition Squad

Overview:

The Wildcats Legacy Competition Squad is being created as an optional cheer squad to allow High School cheerleaders to participate in a competitive cheer program once the sideline season ends.

Competition Squad Definition:

Based on the interest expressed and skill level of cheerleaders, we will form one competition squad. Wildcats Legacy Coaches will make the decision as to how many participants will be selected for the squad based on the number of interested applicants and their skill levels.

Selection Process:

Eligibility:

- In order to participate on the Legacy Comp. Squad, athletes must be High School aged.
- 8th graders MAY be considered on a case by case basis based on their experience, skill level, and the positional needs of the team.
- Cheerleading experience is required.
- High School Cheerleaders currently on a High School comp team will not be eligible per Athletic Department rules.

Evaluation:

Cheerleaders interested in participating on the Wildcats Legacy Competition squad must complete a Notice of Interest via Google Form and agree to the commitments outlined herein before they will be eligible for consideration. **The Notice of Interest Form must be submitted by Tuesday, October 27th.** Due to time constraints, a formal in person tryout will not take place this year. Please be as truthful and detailed as possible in your questionnaire. Coaches may ask for video submission of skills.

Note: The submission of a Notice of Interest to participate on the competition squad **does not** guarantee selection and/or participation.

Selection:

The number of cheerleaders selected to participate on the competition squad will be determined by Legacy Coaches and based on skill level and available stunt group positions and needs.

Those cheerleaders who are selected to participate on the competition squad will be notified via email on October 29th, 2026.

Competition Squad Schedule of Events:

The following schedule is intended to provide you with advance notice as to the level of commitment required for participation on the competition squad.

- This schedule is subject to change based on facility availability.
- Practice may take place on a weekend day. Advance notice will be given.
- All competitions should be considered all day events.

Competition Dates:

Dec. 5th: JAMZ Adrenaline – Stockton – 1-day event

Jan. 9th-10th: JAMZ Nor Cal Knockout – Stockton – 1-day event (date will be confirmed closer to comp day).

Jan. 24th-25th: JAMZ Nationals – Las Vegas, NV

- Jan. 24 – Must be in Las Vegas by 4:00pm (welcome to arrive the day before) Walkthrough and Team dinner night
- Jan. 25 – Nationals! Please plan to stay overnight, awards will likely run late.

	Week of the 18 th thru 21 st	Practice 2 days per week. Days/Times TBD	
	Week of the 24th thru 25st	JAMZ Nationals!	

Practices:

The competition season requires a higher level of commitment from both cheerleaders and their parents. In order to have adequate time to form the competition squad, learn the competition routine and prepare the competition squad for competition, the practice schedule is aggressive.

All practices require MANDATORY attendance and participation from every cheerleader. Competition squad practices are “closed” to non-participants (i.e. parents, siblings, friends, etc.) unless otherwise notified by the Head Coach. This allows the squad to practice more effectively and focus with no disruption. Although all practices are mandatory, exceptions will be made for school functions or if a cheerleader becomes ill or an emergency situation arises. All absences must be reported to and approved by the designated Head Coach PRIOR to the beginning of a scheduled practice or function.

Competition Process:

Qualifiers:

JAMZ requires that every squad attend at least one competition at which they must score a minimum number of points in order to qualify to compete at their “Nationals” competition which is the final event of the cheer season.

The competition squad will select a number of qualifying competition dates in case the required minimum score is not received at the first competition. Even if the minimum score is received at the first competition, the squad may choose to attend the second qualifying competition in order to gain valuable competitions experience.

JAMZ Youth Independant Nationals:

Legacy Comp. Squad will perform at the JAMZ Youth Independant Nationals event on January 25, 2027. Nationals requires travel to Las Vegas and will extend over two to three days. Cheerleaders will be required to miss 1-2 days of school.

The costs associated with travel, hotel accommodations and event tickets would be the responsibility of each individual family.

Estimated Costs to Participate:

COMPETITION SQUAD PARTICIPATION COST ESTIMATE	
Expense Description	Estimated Cost:
Facility fees	\$85
Administration Fees	\$25
Competition registration fees (2 Regionals + Nationals)	\$245
Competition Jersey/team shirt and bow/gifts	\$95
