3313 W Cherry Lane □ PMB 319 □ Meridian, ID 83642

## Dear Valued Community Leader,

Nothing says tradition more than Meridian High School, the first high school in Meridian, Idaho – dating back over a century! The Warrior Football Boosters, a non-profit corporation, is looking for proud partners of the Community to assist and support the Football Program. Warrior Football Boosters has set out on a mission this year to replenish uniforms, purchase helmets and make sure that all players are fed on every game day. For this to happen we need help from local businesses. Each year our Football Program, through the Boosters, raises funds. ***We now invite you to join the Meridian Warriors family and help make a lasting positive impact on the lives of the future Warrior Football players as well as ALL student-athletes attending Meridian High School.***
