

HIGH POINT PONY LOCAL RULES MUSTANG BASEBALL DIVISION

Play in the Mustang Baseball Division will be governed by the Official Pony Rule Book, except for the Division specific Local Rules detailed below which supersede Pony Rules. Any agreement changing Local or Pony Rules will not be allowed. High Point Pony reserves the right to review and change these local rules as deemed necessary.

Coach & Team Expectations

1. All coaches and adult volunteers must have an approved background check on file with the league. It is the head coach's responsibility to ensure coaches and volunteers have their approved background check on file before allowing them to assist with the players. Background checks are good for the year in which approved.
2. Only coaches with a completed volunteer and background check form on file with HP PONY can be on the field. If a noncertified Coach is used, the team's Manager will be suspended for one game. A 2nd offense will result in suspension for the remainder of the season.
3. You may have up to 4 coaches in uniform on Game Day. Coaches must remain in the dugout, on the benches, or on the concrete throughout the game.
4. Any player, coach, or fan that is ejected from a game will receive an automatic 1 game suspension.
5. The HOME team will occupy the 3rd base dugout for all games.
6. The Home Team is the official score book, including pitch count.
7. The Home Team is responsible for turning off the field lights and is responsible for returning the scoreboard controller to the concession stand at the end of the game.
8. Only head coaches should communicate with the umpires. If an assistant coach has a question or concern, he/she should consult the head coach who will then consult with the umpires. The head coach should call time, then ask to approach the umpire from the baseline.
9. Coaches should not attempt to coach or communicate instructions to players of the opposing team.
10. There should be no "gentlemen's agreement" between coaches in an effort to modify rules during the game – doing so only causes confusion for the umpires.

1. Bats may not be larger than 2 5/8" diameter.
2. All bats must be certified with the USA Bat licensing stamp, BBCor (-3) or wooden.

Pitching

1. There are mandatory days of rest required depending on the number of pitches thrown:

Age Range	Daily Max Pitches	Required Rest (Pitches)				
		0 Days	1 Day	2 Days	3 Days	4 Days
9 – 10	75	1 – 20	21 – 35	36 – 50	51 – 65	66+
11 – 12	85	1 – 20	21 – 35	36 – 50	51 – 65	66+
13 – 14	95	1 – 20	21 – 35	36 – 50	51 – 65	66+

2. A day of rest is defined as a calendar day in which a player does not pitch at all.
For example, a 10 year old player that reaches 51 pitches on Monday cannot pitch again until Friday.
3. No pitcher shall appear in a game as a pitcher for three consecutive days, regardless of pitch count.
4. Pitchers reaching their maximum number of pitches in a day while pitching to a batter, may finish pitching to that batter before being removed (EX: started a batter with 46 pitches and throws 6, would still be considered within the 36-50 pitch count window and need 2 days of rest)
5. Balks will be called from the beginning of the season based on umpire discretion. The pitcher of record will be given 1 warning before a balk is called.
6. Once the pitcher starts to deliver pitch, coaches must cease yelling instructions until after the pitch is delivered.

Batting and Participation

1. The entire roster present in the game shall bat in rotation; referred to as a "continuous batting order".
2. There is free substitution of players for defensive play. All players must participate in 50% of defensive field time. If a game ends in an odd-numbered inning, the 50% minimum requirement is based on the last even numbered inning played. If the game is 4 or 5 innings, the player must play at least 2 innings. If the game is 6 innings, the player must play at least 3 innings in the field.
3. Any player arriving to the game after the 3rd inning ends will not be able to enter the game. Otherwise, the late arriving player will be the last recorded batter on the lineup and bat in such order.
4. Injured/leaving players may exit the game and no out will be charged as long as there are 9 players still in the lineup. Players can re-enter in the same lineup spot.
5. Courtesy runners are allowed for pitcher/catcher of record. Runner must be the last out. If the last out was pitcher or catcher, use the last out before that.

Lead Offs and Stealing Bases

1. Runners at 1st and 2nd may lead off and steal bases, as in Official Baseball rules, but runners at 3rd shall remain in contact with the base from the time the pitcher steps on the rubber until the pitched ball is hit or has reached/is passed the batter. Once the pitcher steps on the rubber with the possession of the ball, runners at 3rd who leave the base early shall be called out and the pitch a dead ball.
2. Stealing home is not allowed but you can score on a passed ball, wild pitch, or overthrow back to pitcher.

3. If your team only has 8 or fewer players, you may pull up a player from the Pinto division to play for your team. You need to get approval from that player's coach and keep both division commissioners in the loop. This also needs to be brought to the attention of the umpires at the plate meeting.
