

HIGH POINT PONY LOCAL RULES PINTO BASEBALL DIVISION

Play in the Pinto Baseball Division will be governed by the Official Pony Rule Book, except for the Division specific Local Rules detailed below which supersede Pony Rules. Any agreement changing Local or Pony Rules will not be allowed. High Point Pony reserves the right to review and change these local rules as deemed necessary.

Coach & Team Expectations

1. All coaches and adult volunteers must have an approved background check on file with the league. It is the head coach's responsibility to ensure coaches and volunteers have their approved background check on file before allowing them to assist with the players. Background checks are good for the year in which approved.
2. Only coaches with a completed volunteer and background check form on file with HP PONY can be on the field. If a noncertified Coach is used, the team's Manager will be suspended for one game. A 2nd offense will result in suspension for the remainder of the season.
3. 4 coaches in dugout area. Defense - 2 in the outfield to direct players. Offense - 1 pitching and 1 each coaching 1st and 3rd.
4. Any player, coach, or fan that is ejected from a game will receive an automatic 1 game suspension.
5. The HOME team will occupy the 3rd base dugout for all games.
6. The Home Team is the official score book, including pitch count.
7. The Home Team is responsible for turning off the field lights and is responsible for returning the scoreboard controller to the concession stand at the end of the game.
8. Only head coaches should communicate with the umpires. If an assistant coach has a question or concern, he/she should consult the head coach who will then consult with the umpires. The head coach should call time, then ask to approach the umpire from the baseline.
9. Coaches should not attempt to coach or communicate instructions to players of the opposing team.
10. There should be no "gentlemen's agreement" between coaches in an effort to modify rules during the game – doing so only causes confusion for the umpires.

1. Bats may not be larger than 2 5/8" diameter.
2. All bats must be certified with the USA Bat licensing stamp, BBCor (-3) or wooden.

HIGH POINT PONY LOCAL RULES

PINTO BASEBALL DIVISION

Pitching

1. Pinto division is Coach Pitch Only.
2. Coach pitcher must pitch from rubber. Batter will receive max of 6 pitches or 3 swinging strikes. If 6th pitch is foul, batter will receive a new pitch.
3. Once the pitcher starts to deliver pitch, coaches must cease yelling instructions until after the pitch is delivered.

Batting and Participation

1. The entire roster present in the game shall bat in rotation; referred to as a "continuous batting order".
2. There may be a maximum number of 4 outfielders.
3. Defensive play is stopped when an infielder has possession of the ball. If runner is making an attempt to advance to next base, they may do so at the risk of being out by defense. *Clarification- if player is on or about to touch base when infielder has possession, runner must stop at such base. Purpose - it's more similar to tournament but still forgiving to younger players & it eliminates the old rule of halfway between bases which is not easy to umpire (a base hit to the outfield will most likely score a runner from 2nd.)* Similar to normal baseball.
4. There is free substitution of players for defensive play. All players must participate in 50% of defensive field time. If a game ends in an odd-numbered inning, the 50% minimum requirement is based on the last even numbered inning played. If the game is 4 or 5 innings, the player must play at least 2 innings. If the game is 6 innings, the player must play at least 3 innings in the field.
5. Any player arriving to the game after the 3rd inning ends will not be able to enter the game. Otherwise, the late arriving player will be the last recorded batter on the lineup and bat in such order.
6. Injured/leaving players may exit the game and no out will be charged as long as there are 9 players still in the lineup. Players can re-enter in the same lineup spot.

Playing Games With Less Than 9 Players

1. A game can start with as few as 8 players.
2. The 9th spot in the lineup is an automatic out when that spot in the lineup is reached.
3. Any game beginning with fewer than 8 players will be recorded as a forfeit. The forfeit time is 10 minutes after scheduled start time. If the player arrives within the 10 minute window, the official game time will then start at the point your player arrives.
4. Pool players (players from another team's roster) are not allowed.

Game Length

1. All games are scheduled to be 6 innings in length; however, no new inning will begin after 1hr 30 mins of play.
2. Games may end after 4 innings if one team has a lead of at least 10 runs and the losing team has had 4 at bats.
3. Innings 1-4 have a 5-run limit; innings 5-6 are unlimited.
