Colorado Ball Players Academy (CBPA) is again offering a limited number of partial scholarships for athletes enrolled in our baseball and fastpitch programs. All scholarship applications are reviewed by the CBPA Board of Directors. If approved, the amount of the partial scholarship is credited to the applicant's CBPAbaseball.org account.

The player(s) must be currently registered for the 2027 spring season prior to applying for a scholarship. Applicants must also agree to participate in all fundraising provided by the team and CBPA. Awarded families are required to participate in up to ***10 hours*** of volunteer service with CBPA, including helping at opening day, volunteering to assist at the Bats 4 a Cure event, and facility cleanup and maintenance.
