

2026 Spring Rookies A Division Program

(boys and girls in first grade during the 2025-2026 school year)

Our Rookies A Division will introduce our youngest players (first graders) to Naperville Little League Baseball. The regular season for RA Division (first graders) will run from late April through mid-June. Each player will receive a jersey and hat. All teams play at local Naperville Park District fields.

Teams formed exclusively of first graders (RA Division) will play the entire season using a pitching machine. Teams typically play two games per week, one during the week and one on a Saturday (in rare occasions, mostly weather related, teams may need to play three games per week) for a total of 12-14 games. NLLB makes up every game that gets rained out on the next date fields and teams are available for play (Sunday – Saturday). Managers determine practice day(s) and time(s).

NLLB allows managers to submit a roster of players in the Rookies A division. Managers submitting a roster, please e-mail your roster to your League Director. Please instruct your team to indicate in the registration "yes" to the question "Are you registering as part of a team" and instruct them to indicate your last name in the space provided for the manager:

Continental League Director: Stefan Rand, srand@nllb.org

National League Director: Mitch Izenstark, mizenstark@nllb.org

Republic League Director: Michael Gonzaga, mgonzaga@nllb.org

Do not worry if you do not have a team, we accept individual registrations! We have a space in the registration where you can indicate two friends your child would like to play with, and as always, we strive to create teams according to the schools where the players attend.
