

2026 Fall Ball – Rookies A and Rookies AA Division

NLLB Rookies A division (1st graders) and Rookies AA (2nd graders) division fall ball is for boys and girls in 1st and 2nd grade in the 2026-2027 school year.

NLLB Rookies A and Rookies AA fall ball is an instructional environment for both the competitive and recreational player. We will play our Rookies A and Rookies AA fall ball season according to [Rookies A rules](#).

Due to previous years participation, we anticipate our 1st and 2nd graders will play in different divisions in our fall ball program. Therefore, we will allow managers to submit a roster of players in the rookies division. Managers submitting a roster, please email your League Director with your roster.

Continental League Director: Stefan Rand, srand@nllb.org

National League Director: Kevin Bailey, kbailey@nllb.org

Republic League Director: Michael Gonzaga, mgonzaga@nllb.org

Don't have a team? We accept individual registration. We have a space in the registration where you can indicate two friend requests, and we strive to create teams according to schools/neighborhoods.
